Re: *In the Matter of Expanding the Economic and Innovation Opportunities of
Spectrum Through Incentive Auctions*, GN Docket No. 12-268
NOTICE OF ORAL EX PARTE PRESENTATION

Dear Ms. Dortch:

On Thursday, February 7, 2013, Robert W. Quinn, Jr. and Joan Marsh of AT&T Services, Inc. (AT&T), met with David Goldman, Senior Legal Advisor and Alex Hoehn-Saric, Policy Director for Commissioner Jessica Rosenworcel.

The purpose of the meeting was to discuss the advantages and disadvantages of the lead band plan proposal in the FCC's NPRM as well as the alternative framework offered in AT&T's opening comments¹. We also discussed other band plan proposals submitted with opening comments, including the TDD proposal found in Sprint Nextel Corporation's (Sprint) opening comments². Finally, we discussed the January 24, 2013 joint letter addressing core band plan principles and the continuing collaborative efforts within the industry.

If you have any questions or need additional information, please do not hesitate to contact me. Pursuant to section 1.1206 of the Commission's rules, this letter is being filed electronically with the Commission.

Sincerely,

/s/Brian Benison
